

## Sign the petition to help qualify this initiative for the November 2020 Ballot

Join CSEA and a broad coalition of education and community leaders in putting our Schools and Communities First. Sign the petition to qualify this initiative for the November 2020 ballot that would provide \$12 billion to California's schools and communities every year.

**RECLAIMS FUNDING FOR SCHOOLS** by providing over \$12 billion per year for K-12 schools, community colleges, and local community services.

**INVESTS IN EDUCATION** for all of our kids and helps fund the vital services necessary to support our families and communities.

**CLOSES TAX LOOPHOLES** on commercial property and ends shady schemes that big corporations and wealthy investors use to avoid paying their fair share of property taxes.

*"Help us ensure that our schools and communities have the resources we need to educate our kids and the community services our families rely upon."*

– Ben Valdepeña,  
Association President
